1. Tests conducted	on 27 and 28	
February 1948 and during the pe	eriod 1 to 7 March 1948 indicate almost jamming on all audible frequencies of	
Voice of USA Broadcasts in Russ	sian to the Far East is being conducted.	
2. According to a confident	dential message, dated 2 March 1948, from ostok, the daily Voice of USA Broadcasts	
in Russian hasmed to the Far E	ast through the relay stations at	
Honolulu and Manila are now als	most totally unintelligible owing to a	
powerful roar which blocks the	ir respective frequencies. Prior to	
the last week of February recen	ption had been reported as very good.	
The interference was heard so	strongly, spreading over adjacent	
	staff suspects origin to be near	
Vladivostok.		
3. According to a confidence the imprison Embassy in M	dential message, dated 17 January 1948, oscow, concerning reception of Voice of	
USA Broadcasts in Russian duri	ng the second week of January 1948.
